Blood Diseases,

When the blood is diseased and the system Anæmic or Scrofulous, it carries sickness through the whole body, for the current of human life is in the blood. This proves how necessary it is to have pure rich blood, because an impoverished condition of it brings on Fevers, Malaria, Rheumatism, Bowel Complaints, Lung Scrofula, General Debility, etc.

WELL! WELL!! WELL!!!

Just Look at the Mistakes.

When people order by telephone of another Furniture Store and then walk into C. E. WILLIAMS & SONS Store and ask why the goods are not delivered on time they make a mistake. When a lady telephones to the store of C. E. Williams & Son to come and take back a piano that was sent to her by another furniture man she makes a mistake.

It is a Mistake to think that C. E. WILLIAMS has left the country without a return ticket.

It was a Mistake to try to stop him from going.

It is a Mistake to imagine that he will not return with a stock of goods, with prices that will make the public happy and paralyze some folks.

It is a Mistake if Clark's school of embalming from which Mr. ED. A. WILLIAMS graduated last year is not the best on Earth.

It is a Mistake if you think we do not covet all the trade in town; we do! We would like the Earth and Necker Island thrown in.

It is a Mistake if you think (all insinuations to the contrary) that we do not still remain, Yours as ever,

C. E. WILLIAMS & SON,
